Name Of Complainant	MDeb
Date of Receipt	15/09/2024
Received By Ministry/Department	Assam
Grievance Description	To, The Hon'ble Chief Minister, Government of Assam, Assam Secretariat, Dispur, Guwahati, Assam 781006 Subject: Urgent request for construction of Kanya Mahavidyalaya Path, Mother Teresa Road, Geetanagar (Hilly Area) Respected Sir, I, a resident of Geetanagar, wish to draw your immediate attention to the severely deteriorated condition of Kanya Mahavidyalaya Path, situated near Mother Teresa Road. The lane, which passes through a hilly terrain, has become dangerous and nearly impassable for the residents and daily commuters, as can be seen from the attached photographs. The pathway is currently filled with large rocks and makeshift steps, posing serious risks, particularly during the rainy season. The absence of proper construction has led to landslides and damage, making it a hazard for everyone, including students and the elderly, who frequently use this lane. Given the hilly nature of the area and the current precarious state of the road, we earnestly request that the construction of this lane be prioritized to ensure safety and accessibility for all residents. We look forward to your prompt action on this matter. Thanking you in anticipation. Yours Sincerely, M Meb Kanya Mahavidyalaya path, Mother Teresa Road ,Near Faculty senior secondary school Geetanagar, Assam 15/09/24

Has your complaint been resolved ?	Yes
Are you satisfied with the resolution provided ?	Not Satisfied
Reason for Dis-satisfaction / Not Resolved	Incomplete / Partial Resolution
Rating Remarks	Despite multiple grievances submitted between September and October 2024, no concrete action has been taken. In most cases, the complaints have simply been closed after being forwarded to another department, without any follow-up or actual steps taken to resolve the problem. The lack of accountability in addressing this matter is deeply concerning, as the condition of the lane continues to deteriorate, causing severe inconvenience and safety hazards for residents.
