I am writing this as a follow-up to my earlier request regarding the urgent need for improvement of the local lane at Kanya Mahavidyalay Path, Mother Teresa Road, next to Geetanagar Field, Geetanagar, Guwahati, Assam 781024. The situation in this hilly area has become critical, particularly for elderly residents and patients, as the lack of proper steps and pathways poses significant risks to their safety. The lane remains in a hazardous condition, and during the rainy season, it becomes even more treacherous.
